#### **BOYNTON & COMPANY**

1725-39 Dickson Street
Chicago, Ill.
and

#### PLAIN MOULDINGS

The following are only a few of the more popular shapes used in various classes of woodworking. If you do not see what you want here, we will be pleased to follow your samples or drawings.

\*

For many years we have been supplying furniture and cabinet makers with fine special plain mouldings made in our Chicago Factory. Now we offer such mouldings at either Chicago or Memphis and at prices that will stand the closest comparison. Many customers have acknowledged our plain mouldings cost less than when made in their own factories.

\*

Plain Mouldings are made to order only. On orders for less than 1,000 feet of a pattern an extra charge of \$3.00 will be made for setting up machines.

\*

Cross sections shown approximately full size. In all cases, however, actual sizes are specified.

\*

No matter how difficult the pattern or shape may be, we welcome your samples or sketches. Please be careful to give dimensions and wood wanted.

All Boynton Mouldings and Carvings are made of well seasoned woods.

When no wood is specified, we will ship Red Gum. Always specify wood wanted.

Small orders are shipped by parcel post or express unless ordered by freight.

Embossed carvings cannot be changed in shape or size.

On sample orders we reserve the right to ship Red Gum if other woods are not in stock.

On lots of less than 100 pieces, pairs, or sets of an Embossed Carving pattern, for woods other than Red Gum, there will be a setup charge of \$1.00 per item.

PLEASE send your orders for Embossed Mouldings and Embossed Carvings to Chicago; your orders for Cut and Carved Mouldings, Turned Mouldings, Machine Turned Rosettes, Spindle Carvings, and Turnings to Memphis. Plain Mouldings are made in both Chicago and Memphis factories. Send your orders to the factory nearer you for this item.

Mouldings are made in random lengths but can be furnished in special lengths for an extra charge, varying from 10% to 20%, depending upon the waste to be encountered.

All prices are subject to change without notice. This price list supersedes all others.

All prices are F.O.B. Chicago or Memphis, depending upon where the products are manufactured. The present low prices make it impossible for us to absorb freight charges.

Please refer to our Catalogue for extra charges on small quantities and special mouldings.

Due to the wide variation of patterns desired, prices for Plain Mouldings and Turnings will be furnished on application. We solicit your samples or sketches for these items.

Deliveries depend on quantity, wood wanted and work in process at the time orders are received. For this reason we like to have delivery date specified so we can arrange our production accordingly and advise you if we cannot make shipment as requested.

For woods other than red gum, on less than 250 feet of a stock moulding pattern, a charge of \$2.00 per item will be made for setting up machine.

On lots of less than 100 pieces, pairs or sets of an embossed carving pattern, for woods other than red gum there will be a set-up charge of \$1.00 per item.

MOULDINGS & CARVINGS

### Style, Beauty, Character

#### with Economy

Style, beauty and character — more often looked for in hand carved decoration — are remarkably well represented in this showing of BOYNTON EMBOSSED MOULDINGS.

While simulating these more costly hand worked designs, BOYNTON EMBOSSING offers greater economy in costs, without sacrificing Style, Beauty or Character.

A wide variety of new and original patterns are shown on the following pages. Should you find it necessary to meet present competitive prices through lower costs, Boynton Embossed Mouldings offer the opportunity without fear of jeopardizing your usual Style standards.
